Section 2

Classification: This product meets the definition of an “article” and therefore is not regulated under OSHA Statutes. A Safety Data Sheet (SDS) is not required for this product by either the OSHA Hazard Communication Standard (29 CFR 1910.1200) or the Globally Harmonized System of Classification and Labeling of Chemicals (GHS) (ST/SG/AC.10/30Rev.5). When used as recommended and under ordinary conditions, it should not present a health and safety hazard. Use or processing of the product not under ordinary conditions may affect the performance of the product and may present unforeseeable health and safety hazards.

Section 3

Per OSHA - 29 CFR 1910.1200, reporting is not required.

Section 4
